May 18.—The Fire Securities

GOSSIP OF WALL STREET.

Some of the officers of the Chesapeake been subpænzed to testify at Columbus, Ohio, in the suits concerning the company's control of Hocking Valley and Kanawha and Michigan. Frank Trumoull, chairman of the board, left for Columus yesterday and it is possible that not enough of the directors to constitute a quorum will be able to attend to-day's dividend meeting. In addition to this chance that the declaration of a dividend may be postponed there is the chance that the board may consider it advisable to defer action until the officers can see their way more clearly through the legal tangle. t brought against him by the affected yesterday by this uncertainty over

A great many brokers invariably become bearish when the market becomes dull. expect closer trade relations through a They feel blue because they are not making lowering of the tariff walls. expenses and fall naturally into the error that because their business is bad business generally must be slack. There is plenty of provocation for such a feeling now, for commission business has seldom been lighter ting about the tables in the hanquet hall than in the last few days. In the noon that Canada's past experience in treaty making and breaking with this country she guard equipment, a policeman was hands and the turnover for the day was had not been such as to inspire enthusiout 252,000 shares. Prior to yesterday the ightest day of the year was April 1, when 255,000 shares changed hands. Yesterday's usiness was smaller than on any day since the early part of July, 1908.

It was reported that officers of the Big Four had received word that the negotia-tions for the sale of \$10,000,000 debentures supreme Court last week, but the Court in Paris had been closed. The conclusion of these and other negotiations was one of the case when Joseph H. In Paris had been closed. The conclusion of these and other negotiations was one of the conclusion of these and other negotiations was one of the things the market had been waiting for the saie of 210,000,000 debentures. There were one or two things in Mr. Whitney's speech that were new to me as a Canadian," said-Justice Nesbitt. "If the commissioners. The commission announced its intention. Nevertheless the idea that the world can be proved I hope that he will be market will review as the conclusion of these and other negotiations was one of the case when Joseph H. Whitney's speech that were new to me as a Canadian," said-Justice Nesbitt. "If is hypothesis of a recipracity treaty being made.

As the devict rates recently fixed by the first rates recently fixed by the lead a moderate rise in the price of copper is the company instead of using "wind shields" in front of its cars must now and for copper follows large sales of the international railway congress to the international r

CANADA SHIES OFF FROM US!

DOMINION EX-JUSTICE SAYS RECIPROCITY IS FAR.

Not Until Our President Is Able to Control Certain Interests in the Senate Will

Come Past Experiences With U. S. in Treaty Matters Deters. The Hon Wallace Nesbitt, ex-Justice

of the Supreme Court of Canada, said some very frank things about the possibility of a reciprocity treaty between the United States and Canada at a dinner the dividend. Speculators who had pre-viously taken it on in the expectation of an increase and the expectation of an increase professed themselves satisfied with their position and there were no evidences of this country was unable to control certain special interests in the Senate neither Canada nor the United States need lowering of the tariff walls.

Very courteously the visitor from [the Dominion reminded the 700 and more business men of New York who were sitastic confidence up there in the belief that reciprocity could be arrived at. His speech followed one by Henry M. Whitney, former president of the Boston Chamber of Commerce, in which nothing but the most glowing prospects for common prosperity were pictured on the contingency of a reci-procity treaty being made. "There were one or two things in Mr.

the market will revive on the conclusion of the negotiations may have some merit in it. One of the reasons that the Big Four feel that this country has been a life of the speech that he made this evening.

IRON AND STEEL.

A More Cheerful Feeling in the Trade -Pig Still Languishes a Bit.

The trade papers note a more cheerful feeling in the iron and steel industry this

The Iron Trade Rever says:

A shade of improvement is noticeable in the market, due to placing of orders by the other favorable developments, but actual uving of pig iron and finished products has not increased to any considerable extent. It is noteworthy, however, that business at the present time is about equal to that of the prosperous year 1906. The pig fron market has a better tone in the East sorthern portion: fair to morrow. and inquiries covering from 20,000 to 39,000 tons are pending.

The Iron Age says:

Some of the week's developments have ntributed to a better feeling in the steel trade. Concerning pig iron the best that an be said is that at lower prices somewhat more business has been done, and assertions that bottom is being reached are made

The prevalent idea concerning the cutting extent. Counting furnaces that have actuscarcely more than 10 per cent, off the rate of production on April 1, and furnaces now scheduled to go out will not increase it beyond 12 percent. The United States Steel Corporation now has thirty-one idle furnaces ut of a total of 119, having blown out one additional furnace, that at Niles, Ohio, in

was \$2.134.000 as compared with \$1,082,000.
The deduction of \$2,400,000 in dividends from this net income left a deficit of only \$266,000. Last year the deficit was \$1,367,-000 and in 1907 \$2,821,000.

COLEMAN PLEADS GUILTY. one Cambridge Embezzler Sentenced to Serve May l'ifteen Years.

Fifteen Years.

Boston. May 18.—George W. Coleman to-day pleaded guilty to the misapplication of the funds of the National City Bank of Cambridge. He changed his plea of not guilty when brought before Judge Hale in the United States Circuit Court, after which arguments were made by District Attorney French and Coleman's from injuries received during a football game will be honored. His name will be fifteen years.

Fifteen Years.
